- 📅 9:30-11:30 am OR 1:00-3:00 pm

Birthday party activities

During the two-hour period, there will be three different activities, which include fishing at the stream with nets, a short hike and a nature craft. You can choose one of the following crafts:

- 🌿 **Build a Bug**
After an exploration of the bamboo forest and meadow for bugs, insects and spiders, we'll use natural and recycle materials to create our very own bug.
- 🌿 **Nature Notebooks**
Search the forest and stream for artistic inspiration as we paint with watercolors, do leaf and tree rubbings, collect natural materials and make a beautiful scrapbook to remember our day in nature.
- 🌿 **Terrarium Building**
Recreate the splendor of Makiki Valley in miniature as we collect plants, leaves, rocks, moss and worms to build your own terrarium. *Note: If you would like us to provide the jars, there will be an additional \$3.50 per jar per child fee.*

Fee

Effective January 1, 2016, the birthday party fee is \$350.00. A \$50 deposit is required to secure your reservation. This deposit can be used toward a \$50 HNC family membership. A confirmation letter will be sent to you that will include a HNC membership application, a map to the Center with special gate instructions that you can give to all your birthday party guests, and a list of State Parks rules. In order to secure your birthday party date, you must mail in your \$50 deposit within 10 days after you receive your confirmation letter. The balance of your birthday party fee will be collected on the day of your birthday party.
