MAUI BIRTHDAY PARTY INFORMATION

Birthday Party Dates and Times

Four weeks advance notice is required.

- 📅 Second and fourth Saturdays of the month
- 📅 9:30-11:30 am OR 1:00-3:00 pm

Birthday Party Activities

During the two-hour period, there will be three different activities, which include fishing in Wailuku Stream with nets, a short hike and a nature craft. You can choose one of the following crafts:

- ♻️ Build a Bug
We will explore nature in search of bugs, insects and spiders and will use these creatures as our source of inspiration for building our very own “bug”!
- ♻️ Dragonfly Magnet
On our nature hike, we will collect natural materials like bamboo, seeds and leaf skeletons and use these to create our own Hawaiian Dragonfly or *Pinao* magnet!
- ♻️ Terrarium Building
Recreate the splendor of ʻĀao Valley in miniature using plants, leaves, rocks, moss and worms to build your own terrarium. *Note: We highly recommend bringing and using your own recycled plastic jars, provided they are at least half a gallon, clear plastic with a lid. However, if you would like us to provide the jars for you, there will be an additional \$3.50 per jar per child fee.*

Fee

The birthday party fee is \$300.00. A \$50 deposit is required to secure your reservation. A confirmation letter will be sent to you that will include a HNC map to the Center that you can give to all your birthday party guests. In order to secure your birthday party date, *you must mail in your \$50 deposit within 10 days after you receive your confirmation letter.* The balance of your birthday party fee will be collected on the day of your birthday party.

Number of children

You may bring up to 20 children. We ask that the number of adults participating in the birthday party program not exceed the number of participating children.

What to bring

Any food, refreshment and birthday cake is done outside of our two-hour program and is the responsibility of the birthday party parent. Please be sure all the children wear name tags, jogging-type shoes and old clothes to get dirty. Mosquito repellent is recommended; please do not apply to hands and face.
