VOLUNTEER O’AHU

Supporting environmental education while having fun with others is what volunteering at the Hawai‘i Nature Center is all about. Volunteer benefits include T-shirts, personalized orientation and training, and special invitations to the annual Volunteer Appreciation Picnic and the O‘ahu Museum Volunteer Leaders’ Volunteer Appreciation Month activities in April.

Our Volunteer Program Director will find a niche that is just right for you. Discover new skills and creative talents, and find out how you can make a difference.
