

## Spring Nature Adventure Camp **Mauka Meets Makai**

March 16-20 | Ages 6-11

Monday-Friday 8:30 am - 3:30 pm

Students develop a deeper understanding of our island's coastlines by exploring the area where mauka meets makai—the transition from mountain environments to the sea. Through guided, hands-on investigations in wetlands, tidepools and along coastal trails, keiki will study the interconnected ecosystems that shape our island.
