

HAWAII NATURE CENTER

Connecting children and families to nature

Fall Nature Adventure Camp!

October 5-9, 2026

"Hawaiiana"

Here in Hawai'i, culture and nature are deeply intertwined. During our week of camp rooted in Hawaiian culture, keiki will learn about how nature has both shaped and been shaped by traditional culture. Lessons and activities will be themed around lā'au lapa'au (plants as medicine), Makahiki games, mele and music-making, hula, and lei making. Join us for a week of hands-on activities, 'āina connections, and field trips across the island to sites such as a fishpond, farm, and museum!
